## Application to enrol in a Queensland State School

This sheet contains information on how to complete the Application for Student Enrolment Form (SEF-1 Version 7).

### Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol an applicant if they are entitled to enrolment. While not exhaustive, a list of matters which may affect an applicant's entitlement to enrolment are included on the front cover of the enrolment form.

### Questions which must be answered\*

The Application for Student Enrolment Form contains a number of questions marked with an (\*) which must be answered. These include – Prospective student demographic details, Prospective student address details, Family details, Religion – Religious Instruction, Country of birth, Emergency contact details, Prospective student medical information, Court orders and the Application to enrol. These questions and consent are considered necessary to ensure the school can undertake its administrative and care responsibilities.

Sections of the form not marked (\*) are optional. However, failure to complete these sections may result in the school not being eligible for important Federal and State Government funding.

### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are being asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

### Sighting of birth certificate

Schools are required to sight a prospective student's birth certificate. An alternative to a birth certificate will be considered where it is not possible to obtain a birth certificate (e.g. person born in a country without a birth registration system – passport or visa documents will suffice). Prospective mature age students that provide appropriate photographic proof of identity do not need to present a birth certificate.

### Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

### Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

### Evidence of Prospective Student's Immigration Status

This section is required to be completed when a prospective student is not an Australian citizen and information is required to be recorded about their passport and visa.

### Medical information and emergency contacts

A prospective student's medical condition, symptoms, management and medication/s must be documented. Medical conditions may include (but are not limited to) seizures/epilepsy, fainting, diabetes, asthma, heart problems, anaphylaxis and allergies (such as food or insect stings). Parents must indicate if they are an emergency contact. Three additional emergency contacts are also required.

### Religion – Religious Instruction

Applicants are asked if they would like the prospective student to participate in religious instruction. From Year 1, the prospective student may participate in religious instruction if it is available.

If you tick 'No' or if the nominated religion is not represented within the school's religious instruction program, the prospective student will receive other instruction in a separate location during the period arranged for religious instruction.

Parents/carers may change these arrangements at any time by notifying the principal in writing.

### Office use

This section is to be completed by the school and will assist in documenting specific details in relation to enrolment, including confirmation of the sighting of documentary evidence such as a prospective student's birth certificate, passport or visa and prospective student's mature age status.
