Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

- 100% of students improved in an aspect of their reading
- The percentage of students in the NAPLAN upper two bands in reading increased from 15% to 30% for Year 3 students
- Diagnosed reading levels for all students with particular attention to students demonstrating difficulties and delays
- Developed an individual learning guarantee (plan) for students who are vulnerable in terms of reaching the National Minimum Standard
- Improved teacher capacity through focused coaching and professional development to improve student performance
