Privacy Statement

The Department of Education and Training, through the school, is collecting your personal information in accordance with section 51 of the *Education (General Provisions) Act 2006* in order to administer the Student Resource Scheme in an efficient, ethical and secure manner. The information will only be accessed by school employees administering the scheme. Some of this information may be given to departmental employees for the purpose of debt recovery. Your information will not be given to any other person or agency unless you have given permission or the Department of Education and Training is authorised or required by law to make the disclosure.

Purpose of the Scheme

1. In accordance with the *Education (General Provisions) Act 2006*, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
2. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, the school operates a Student Resource Scheme (the "scheme") that enables a parent to enter into an agreement with the school that, for a specified annual participation fee, provides for the temporary use by the student of prescribed textbooks and/or other resources, and/or the purchase of consumables and materials for the student.
3. A Student Resource Scheme is separate to and distinct from a request for a voluntary financial contribution.

Benefits of the Scheme

4. The purpose of the scheme is to provide the parent with a cost effective alternative to purchasing textbooks and/or resources elsewhere, through reduced prices gained from the school's bulk purchasing practices.
5. The scheme also ensures that students have consistent personal resources for their education, and saves the parent time and money in sourcing the prescribed materials elsewhere.
6. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the operation of the scheme.

Participation in the Scheme

7. Participation in the scheme is voluntary, and there is no obligation on a parent to participate in the scheme. A parent's decision to participate or not is based on consideration of the value afforded to them by the scheme.
8. The completed and signed Participation Agreement Form should be returned to the school by the advertised date to indicate participation or non-participation in the scheme.
9. If a parent chooses to participate in the scheme and completes the Participation Agreement Form, a fee will be due and payable by the parent for the items provided by the scheme to the student.
10. Payment of the participation fee is a requirement for continued participation in the scheme. An unpaid fee will be subject to the school's debt collection processes.
11. A parent who does not wish to participate in the student resource scheme shall inform the school by completing the Participation Agreement Form and returning it to the Administration Office. Arrangements will be made for the parents of students in Years 7 to 12 or of secondary education age to be paid the value of the Textbook and Resource Allowance for each of their eligible children.
12. A parent who chooses not to participate in the scheme is responsible for providing the student with all items that would otherwise be provided to the student by the scheme as detailed on the *Year Level Requirements List* and/or *Subject Requirements List*, to enable the student to engage with the curriculum.

Parents and Citizens' Association Support of the Scheme

13. The operation of the Student Resource Scheme is discussed annually at a meeting of the Parents and Citizens' Association. Parents are extended an invitation to attend this meeting and provided with an opportunity to express their opinions. A vote is taken at this meeting on supporting the operation of the scheme.

Textbook and Resource Allowance

14. The Queensland Government provides financial assistance to parents of students in Years 7 to 12 or of secondary education age, attending State and approved non-State schools, to offset the costs of textbooks and other resources. Assistance is provided in the form of a Textbook and Resource Allowance which is paid once a calendar year through the school. Parents have the option to receive the allowance directly from the school or as an offset of fees associated with participation in the school's Student Resource Scheme. This option is made available to each parent annually by the school. Current allowance rates are available from <http://education.qld.gov.au/finance/grants/fund/qarp/html/par-stu.html>

Payment Arrangements

15. Payment of the participation fee may be made by EFTPOS (Debit Card; MasterCard; Visa; American Express where accepted by the school), cheque, or cash.
16. Payment may be made through the QParents portal using a credit card. Payment will be directed from the QParents portal to BPOINT where relevant outstanding invoice information may be selected.
17. When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of your CRN, please contact the school.

18. Payment of the participation fee may be made in whole or by instalment as indicated on the Participation Agreement Form or for another amount as approved by the Principal.
19. For payments made in person by cash, cheque or credit/debit card, a receipt will be provided to the payer. Where payments are received by other methods, a receipt will be provided on request. All receipts and documentation on the scheme should be retained by the parent for future reference and possible taxation purposes.

Parent Experiencing Financial Difficulties

20. A parent wishing to participate in the Student Resource Scheme and experiencing financial hardship is encouraged to contact the principal to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. Centrelink deduction is a payment option offered by the school. All discussions will be held in the strictest confidence.
21. The onus of proof of being so affected is on the parent, and might include a current Health Care Card or other evidence to establish financial hardship.
22. Any concessions given to the participation fee will be at the discretion of the Principal.

Terms and Conditions of Participation in the Scheme

23. Payment of the prescribed fee implies acceptance of the Student Resource Scheme including the Terms and Conditions irrespective of whether or not the signed form has been returned.
24. For the purposes of the scheme, where a student is living independent of his/her parents, reference in the terms and conditions to "parent" is a reference to the independent student.
25. Where a parent chooses to join the scheme and completes a Participation Agreement Form, an annual participation fee will be due and payable by the parent to the Student Resource Scheme.
26. In return for payment of the participation fee, the scheme will provide the participating student with textbooks and/or resources, consumables and materials as listed on the *Year Level Requirements List* and/or *Subject Requirements List* as being provided by the scheme, when due for the student's use.
27. Payment of the participation fee is to be made according to the payment arrangement option indicated by the parent on the Participation Agreement Form, or as otherwise approved by the Principal.
28. Non-payment of the participation fee by the designated payment date(s) will generate a reminder notice to the parent from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent.
29. Without limiting any other action the Principal may take in accordance with these terms and conditions, subject to 26 above, the Principal may withdraw a student's participation in the scheme due to non-payment of a participation fee, and/or may require the return of items provided by the scheme for the temporary use of the student, and/or may withhold the giving of any further items under the scheme until the debt is paid.
30. The Principal may refuse to admit a student to the scheme where participation fees are overdue from the previous year's scheme.
31. Where participation fees are overdue, the Principal has the discretion to exclude a student from an optional school activity.
32. The scheme provides the entire package for the specified participation fee, and is not available in parts unless specifically provided for by the school in the fee structure.
33. All textbooks and resources provided for temporary use by the scheme remain the property of the scheme and shall be returned at the end of the course or school year or when the student leaves the school, whichever is the earlier. Where an item is not returned, the parent will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.
34. Textbooks and other resources provided for temporary student use by the scheme shall be kept in good condition by the student. The school Administration Office shall be notified immediately of the loss or negligent damage to any issued item. Where an issued item is lost or negligently damaged, parents will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.
35. The parent is responsible for supplying the student with any additional student materials that are not provided by the Student Resource Scheme, as indicated on the *Year Level Requirements List* and/or *Subject Requirements List* or otherwise advised by the school.
36. If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40-week school year basis.
37. If a student, having paid a participation fee, leaves the school through the year, a pro-rata refund will be made to the parent, calculated on the participation fee paid, less the cost of consumed materials and the replacement cost of scheme items that are lost or negligently damaged or not returned, plus the pro-rata Textbook and Resource Allowance calculated on a 40-week school year basis.
38. As the scheme operates for the benefit of participating parents and is funded solely from participation fees, resources provided by the scheme will not be issued to students whose parents choose not to participate in the scheme.

Religious Instruction Programs

Dear Parents,

The local religious community offers a 30 minute Religious Instruction (RI) lesson to our students in Years 1 – 6 where available.

The vast majority our students opt for the classes that are provided by the Anglican, Baptist, Catholic and Uniting Churches. These churches provide a broad based non-denominational ecumenical program based on Christian teachings and beliefs. During these Ecumenical RI lessons, the children remain in their class and the teacher comes to teach the whole class. The teachings revolve around the program "Christian Religious Education" (CRC) which is written by the Council for Christian Education for Schools.

Students are allocated to RI based on information provided by parents on the completed Application for Student Enrolment unless other written instructions have been provided to the school.

Students who are not participating in RI will be provided with other instruction supervised by their classroom teacher and may include:

- personal research / or assignments
- revision of class work including online programs (Reading Eggs, IXL, Coolmaths)
- wider reading such as independent reading appropriate to the student.

Please be aware that all Religious Instruction instructors are approved by their churches. They must also have a Blue Card. The Education Act (2006) requires schools to gain permission for students to attend religious instruction lessons.

Please complete the following form to enable your child to attend RI lessons.

Many thanks, Mary Orchard, Principal

The Signatory acknowledges that where material is uploaded to a Social Media website or other website:

If you require a copy of this signed Consent Form, or if you wish to revoke this consent, please contact the Principal of the school at which the Individual is enrolled or works or send a request in writing to the District Office.

10. INFORMATION**What is this consent for?**

This Consent Form authorises the Department and the State to use the Individual's personal information and copyright material, together with information about the Individual's participation in Departmental and State initiatives, for any use by the Department and the State associated with the purposes identified in Section 6 of this Consent Form. The consent covers the entire or partial use of the Individual's personal information and copyright material in conjunction with other words and images.

For example, the Individual's personal information and copyright material may appear in school newsletters, magazines, websites (including Social Media Websites) and other school, departmental or State publications, as well as in television advertising, videos, brochures, forms, public relations displays, annual reports, press advertising, internal documents such as manuals, websites, certificates and strategic plans, and posters and other promotional material. There may also be occasions on which the Department may approve the media, such as local newspapers and television stations, using information and copyright material in relation to the Individual (for example, where the Individual is involved in dramatic or musical performances, sporting activities or award ceremonies).

Websites

Individuals and Signatories should be aware that publication of an Individual's personal information and Individual work on Social Media Websites is similar to publication in newsletters, magazines, brochures, etc; however publication on Social Media Websites is publication of that material to the world at large.

Individuals and Signatories should be aware that the publication of an Individual's personal information and Individual work, by the Department or the State, on a Social Media Website typically constitutes a permanent and publicly available record of that material. This means that anyone may be able to copy and use an Individual's personal information and Individual work that has been published on a Social Media Website for any purpose and without the consent or knowledge of the Department, the State or the Individual. Individuals or Signatories should not grant their consent to the Department or the State to use an Individual's personal information or Individual work in connection with a Social Media Website if the Individual or Signatory does not agree to the material being permanently available to the public.

If an Individual's personal information or Individual work is published on a Social Media Website, that material will be governed by the privacy policy and terms of use of the relevant Social Media Website. The Department or State cannot reasonably control how an Individual's personal information or Individual work is used by third parties once the material has been published on a Social Media Website.

What is copyright material?

An Individual's copyright material may include written work (e.g. stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, recordings, computer programs, websites, sculptures, fashion, metal- or wood-works made by them or to which they contributed. In the case of students, it includes, but is not limited to, work that they create in the course of their studies during the time they are enrolled at a State school. These materials may form part of their academic assessment or be part of their studies generally and may attract copyright.

The Department understands that students and volunteers generally own the intellectual property rights in the material they create and that this Consent Form is not meant to transfer the Individual's ownership of the intellectual property in their copyright material.

This Consent Form does not provide for copyright consent in relation to copyright works an Individual creates in the course of employment (whether or not the material is created in normal work hours or using departmental facilities or equipment). Where copyright material is created by a State employee while performing their duties under the terms of their employment, the copyright is owned by the State as the employer (section 35 *Copyright Act 1968*). There are limited exceptions to this including, for example, where the copyright material is created by an employee pursuant to a prior agreement with the employer.

Generally, the deciding factor is whether the employee is performing their official duties. In addition, section 176 of the *Copyright Act 1968* applies where the work was created by or under the direction or control of the State. However, moral rights may still apply to copyright material created by an employee. The *Queensland Public Sector Intellectual Property Principles* provide further information on intellectual property. If as an employee you have any further queries about the ownership of the intellectual property in respect of the works you create you should contact the Legal and Administrative Law Branch.

What is personal information?

Personal information includes information or opinions, whether true or not, about an individual whose identity is apparent or can reasonably be ascertained from the information or opinion. This includes the Individual's name, image or video or sound recording. It also includes the Individual's educational information such as the Individual's assessment and results, and health information and court orders provided to the Department, where such information may enable the Individual to be identified.

What happens to the Consent Form once it is completed and signed?

The Consent Form is retained by the Department and it will be placed on the Individual's file and/or the project file. The Individual or Signatory may request a copy of the signed form by contacting the Principal of the school.

What if I give my consent and later change my mind?

This consent will be in effect from the date the Consent Form is signed. The Department and the State will then start using the Individual's personal information and Individual work to create material incorporating the Individual's personal information and Individual work and entering into contractual obligations in relation to that material.

If you wish to later modify or revoke this consent, the Individual or the Signatory should send a notice in writing to the person nominated in Section 2 of this Consent Form. After that notice is received, the Department and the State will not make any new additional use of the Individual work, but any existing uses will continue.

Where the Department or another person uploads material to a Social Media Website or other website, it may need to accept contractual obligations that are perpetual and irrevocable. It may not be possible to ensure that all copies of the material are deleted or cease to be used, and the Department and the State cannot take responsibility for doing so.

Privacy

The consent to the recording, use and disclosure of the Individual's personal information and Individual work is required in accordance with the *Copyright Act 1968* (Cth), the *Education (General Provisions) Act 2006* and the *Information Privacy Act 2009*. Personal information will be stored securely. The Department will only disclose the Individual's personal information in accordance with your consent, except where authorised or required by law. If you wish to access or correct any of the personal information on this form or discuss how it has been dealt with, or if you have a concern or complaint about the way the Individual's personal information has been collected, used, stored or disclosed, please contact the school.
